

CELEBRATING

50 YEARS

Packerland Home Improvement is the original window replacement specialist of Kaukauna, and we've been improving homes in Northeastern Wisconsin since 1973.

Your home is the center of your world. It's where you make memories and share time with your family. When it comes time to make improvements, you shouldn't take chances with your results. From deciding on which style of window you want to figuring out who will install them, you should be confident that you are making the right choice for your home.

"Packerland recently completed whole house window and patio door replacement for us. Couldn't be happier with the end result. The entire process, from initial sales meeting, follow up, removal and installation went smoothly. The installers were super courteous and left our home spotlessly clean. I would highly recommend Packerland for your next window/door project. Thank you!" **Wade - Sherwood**
